

# FRIENDS

of the Arts in Oxford Gallery

## WELCOME

We're delighted that you have decided to join our "Friends of the Arts in Oxford Gallery".

We hope that this new initiative will provide many opportunities for you to engage with all that is happening at Arts in Oxford - both now, and as we evolve and progress in the years to come.

Membership of Friends will provide many benefits. There will be social events at the gallery, outings and artist talks and demonstrations. As you can see from the 'What's on' column, there is a lot going on over the next few months.

### 5% FRIENDS DISCOUNT

Don't forget that as a Friend of the gallery you receive a 5% discount on anything purchased from our gallery or gift shop.

Remember to bring your membership card with you to claim this discount.

## STUDIO & GARDEN VISIT

On Thursday 17th November we will be visiting the studio and garden of Christchurch artists Llew Summers and Robyn Webster in Sumner.

This is a fantastic opportunity to meet these artists and see their works in their very special garden and home studio.

Full details will be sent out soon, but now is a good time to register your interest.

## 2017 CALENDAR

Following the huge success of our 2016 desk calendar, we have now launched our 2017 edition.

The calendar features the works of 13 of our gallery artists and is presented in a CD case. It's perfect for sending as a Christmas gift (but make sure you keep one for yourself!) and we think it's the most attractive desk calendar you will find - a new work of art to admire every month!

Retailing at only \$15, it's not only a great buy, but a vital fundraiser for the gallery.

## OXFORD CARD

After many customer requests for an Oxford greetings card we have printed some!

'Mt Oxford' pastel by Rachel McRobb (seen at the top left of this newsletter) is available as a plain greetings card or in a pack of 5 Christmas Cards.
