ACRYLIC PAINTING

WORKSHOP with Maree White, Saturday 3 February. Maree has painted professionally for most of her working life and has taught painting techniques for the last 20 years. Join her for a day's tuition concentrating on the palette and colour mixing, and improving painting design using lighting effects. Bookings for eight participants are now being taken so contact the gallery for more information.

FRIENDS STUDIO

VISIT

Our **Monday, 5th February** outing is to visit Philip Trusttum at his studio. Philip of course needs no introduction, and he is the Gallery's Patron. A not to be missed occasion.

Homage to Goya, 2004

SARAH GARLAND

A solo show from 3 March. Figurative paintings from her analog family photographs that with today's digital photography would be edited out as being 'mistimed, off-centred, under or over-exposed errors' - as in the oil painting 'Ski', 600 x 900mm, below.

There is still a chance to see Belinda Weir's striking paintings of the Mackenzie High Country, like this one above, *Mt Sefton Dawn*. Closes 3 pm 17 January.

Belinda will take commissions if you have any favourite views not represented in the show. For all such commissions made through the show, the gallery will receive a percentage of the final cost.
